EarthWeek

Next week is Earth Week (April 17 - 25)!

PCC will be hosting in-person events as well as providing virtual opportunities to engage.

Join us throughout the week for tabling fairs at each campus with giveaways, activities and resources. Other event highlights include: an Earth Day Beach Cleanup, film screenings, poetry sessions, climate anxiety workshops, planting parties in our learning gardens and so much more!

There is something to enjoy at each campus or at home! Visit [pcc.edu/earthweek](https://www.pcc.edu/earthweek) for additional details.

Earth Week Event

Come help us continue to build a small-scale wind turbine system at the **Sylvania Makerlab on April 17 from 1 to 5 pm**

We'll be assembling the charge station which will direct and store the electricity generated by the turbine we built at our last workshop. The turbine will be installed at the Rock Creek Learning Garden this summer.

No Experience Necessary!

MakerLab is in Sylvania AM 101 (basement of the auto shop)
