

## **Who is eligible to apply for the Yes to College High School Diploma Program?**

**Criteria 1—Age:** Yes to College High School Diploma (HSD) can enroll eligible students who are between the ages of 16 and 20 years old at entry.

**Criteria 2—School District:** Yes to College HSD currently can only enroll students who reside in the following school districts:

- Portland Public Schools
- Tigard-Tualatin School District\*
- West Linn-Wilsonville School District\*

**Criteria 3—Need for Alternative Placement:** Eligible students will have need for an alternative placement. There are many situations where a student may have the need for alternative placement, and we are happy to accommodate a wide variety of students. Typically, students who are not on track to graduate with their class, or those who need an alternate school environment would be eligible.
